I understand that: Circling a shift does not guarantee that I will be working that shift. When and where I work will be determined by management. I am responsible to work the shifts for which I am scheduled. If I do not show up to work without prior approval for time off, my employment may be terminated. Shifts may be cancelled by management and you will be notified prior to your shift. If you need to request a shift change, you need to notify management in advance.
